

NATURAL steps to share the Gospel

- **Let people around you know** you're a Christian in a natural, unforced way.
- **Listen to your friends.** Ask about their faith (and just listen). Listen to them share problems and experiences.
- **Offer to pray for them** when they share struggles or issues they're facing.
- **Open up with your own problems,** and share how your faith makes a difference in your life.
- **Share the story** of how and why you became a follower of Jesus.
- **Invite them** to a church event or a church service project.
- **Offer to read the Bible** with them. (Recommend starting with one of the gospels - either Mark or Luke).
- **Take them to Explore** - a group we offer at Brookside for people investigating Christianity.
- **Answer their objections and questions.** If you don't know the answer, admit it and work to find a response.
- **Share the good news about Jesus Christ** - who He is and what He's done to save us.
